N	<p>Read the text below and then answer the questions.</p> <p>Fast Food Follies</p> <p>About half the young people in America are heavier than they should be. That's because they eat the wrong food, or they eat too much or too often. Or all three! American doctors keep warning about 'overweight kids' and some things are Changing, very slowly. However, a lot of habits are very hard to Change. Fast Food restaurants, for example, are as popular as ever, at all times of the day. Hotdogs, hamburgers and French fries are still the most popular things to eat. The problem is that they are high in calories and fat. Another problem is to encourage children and teenagers to eat their greens.</p> <p>"I often come in for a burger after school," says Billy, a teenager from San Francisco. "They are so tasty and cost only a dollar! We also come here because it's a good place to sit and chat" But eating too much is not the only reason why people get fat - drinking too much has the same effect. In summer it's so easy to drink too much. In America, people drink lots of soda pop, such as cola and 7 up. The reason is simple. They are on sale everywhere: in shops, cafés.... And compared to Europe, it's very Cheap. But each small soda contains spoonful of sugar. No wonder people get fat!</p> <p>39. "Overweight" in paragraph 1 line 3 is closest in meaning to...</p> <p>a) big b) heavy c) fat d) sick</p> <p>40. Cola and 7Up are American's favorite summer drinks. True / False</p> <p>41.
