k	Read the passage and answer the questions . Mother tongue education refers to any form of schooling that makes use of the language or languages that children are most familiar with. This is usually the language that children speak at home with their family. The mother tongue does not have to be the language spoken by the mother. Children can often speak more than one or even two languages at home. For example, they may speak one language with their mother, another with their father and a third with their grandparents. 42. What is mother tongue education? 43. Some children can speak than one or two at home. 44. Mother tongue is the language spoken by the mother. (True - False)	1.5
