<b>A</b>	<p><b>Read the following passage about parenting and answer the questions.</b></p> <p style="text-align: center;"><b>Importance of Parenting in a Child's Life</b></p> <p>Parenting means taking care of children. Good parents are those who do their duties towards their children well. Good parenting is so important for shaping a child's future. This importance in child's life are highlighted in some ways as follows: a loving home is every child's right to grow up in to become a happy and loving adult. Also parents should meet their children's emotional and social needs. In addition, parents should be certain that their children are healthy and enjoy life. Providing a good education, both at home and at school is another parent's responsibility to children. For instance, by taking them out to parks, museums, etc., children learn to love and appreciate their society.</p> <ol style="list-style-type: none"><li>1. What does parenting mean?
