.....

5. At first the authorities thought the athlete had been using drugs, but they soon realised the lab mixed up the test results.

.....

**C. Choose the correct alternative.**

Hi,

Thought you'd like to know that the conference was very successful. The talks (1) *were / had been* really interesting and all the speakers (2) *had prepared / prepared* their material very thoroughly. Everyone agreed we should do the same next year. However there were some problems with the conference centre. When we (3) *arrived / had arrived*, we (4) *discovered / had discovered* that the manager (5) *reserved / had reserved* the wrong room for us. This meant that we (6) *didn't have / hadn't had* enough space. Unfortunately, he couldn't let us have the larger room because he (7) *gave / had given* it to another group, which was even bigger than ours. He (8) *also misunderstood / had also misunderstood* the form explaining what lunch options we (9) *wanted / had wanted*. In fact, we (10) *suspected / had suspected* that he (11) *lost / had lost* it. I recommend not using that venue again!

Best wishes,

Nonna

**D. Rewrite the sentences including the adverbs in parentheses. Place the adverbs into their MOST COMMON position in the sentence. Use COMMAS when necessary.**
