

- Listen and look at the text and find the missing words.

Do I want that? I don't know. Take them away. Wait, how many ...1... are there ...2... to be? Uh, why? We ...3... the ...4... a yeti, and nothing else will do. Nothing! is dead or ...5.... I just need him. Your gerbil is ...6... me out. Jerboa. ...7... is an albino jerboa, and she, too, is one of a kind. Sir, as a zoologist, it is my ...8... in life to make sure that all animals are protected, especially the rare and ...9... ones. That is the only reason I agreed to find your yeti. And you did. For a few short days, we had one, but I cannot go to that unveiling ...10.... I will not be made into a laughingstock again. Not, not, not, not!
