

- **Listen to the video and find the correct answer.**

You touched my (1). Okay, okay. Look, I know it's (2), but... Feel me here, little man. So, I'm out there... and I'm saving the world, doing big things. That's what I do. Mmm-hmm. And the way I do it... is to have my things do the things I (3) my things to do. Yep. Ow. Like (4) stuff up. See, out there... I (5) fight fire with fire. Because if I try to fight fire with glitter... I could get my face burned off. But you didn't. Because the kitty glitter worked. Kitty (6)? Glitter. Kitty glitter. It's scientifically (7) that watching kittens... (8) the enterochromaffin cells to release serotonin. Glitter makes people happy. Know what works even better? A (9). It's kind of (10), don't you think? Can't save the world with a hug, Wilson. It's Walter.
